MEMORANDUM FOR: Chief, Cartography Division, OBGI
Chief, Publication Division, OBGI
Special Assistant to Director, OBGI

SUBJECT: OBGI Requirements on PED

1. In light of tightening budget demands, it is desirable to take an in-house look at our requirements on PED.

2. Our Office is one of the biggest users of PED, both text and graphic, and it is important that we can justify fully our day-to-day requirements.

3. I propose we meet on this topic at 0930, 5 June, Room 904, Magazine Building. Up to two or three persons from each Division would appear to be the correct coverage.
